Key Points:

Dress Code: Interactive scenarios require attire and shoes that allow ease of movement.

- No dresses, skirts, open toe shoes, high heels

Laptop: If you have a laptop please bring it to class. You will need one for the group research and presentation portion of the class on day 2.

The agenda is subject to change based on the Trainer, facility and participants needs.

Training participants achieve Instructor Certification through passing the e-Learning test after completing the 2-day training. Certificates are accessed online.
